

**Incinerator Work Group Meeting**  
**April 7, 1998**  
**Chemical Manufacturers Association, Rosslyn, VA**

The CMA building is located at 1300 Wilson Boulevard in Commonwealth Tower, at the corner of Wilson and Fort Myer Drive across from the Rosslyn Hyatt. Transportation and hotel options are summarized below.

**DIRECTIONS TO CMA FROM NATIONAL AIRPORT VIA THE METRO**

1. Take Orange or Blue Metro line from National Airport.
2. Get off Metro at Rosslyn and go up the long escalator.
3. Turn left and go up the short staircase; this will put you on Ft. Meyers Drive.
4. Walk up the hill about 1/4 block, to the cross-street, which is Wilson Blvd.
5. The CMA is in the building which is diagonally to your right, at 1300 Wilson Blvd. The name of the building is Commonwealth Tower.
6. Enter the building and go to the 15th floor.

**TAKING A CAB FROM NATIONAL AIRPORT**

Alternatively, you can take a cab from National Airport. The ride will take 8 to 10 minutes at most, depending on traffic, and costs about \$10.

**DRIVING FROM NATIONAL AIRPORT**

Driving from National Airport is also possible, although CMA advises that taking the METRO or a cab is **a lot** easier. Driving directions follow:

1. Upon leaving the Airport, get on the George Washington Parkway going North, towards Washington.

5. At the “Motel 50,” turn right onto Queen Street.
6. Go straight up the hill to Claredon Blvd. Turn right onto Claredon. Claredon will soon merge into Wilson Blvd.
7. On Wilson, look for the first stoplight beyond Nash Street. This will be Ft. Meyers.
8. Turn right onto Ft. Meyers, turn into the first parking lot on the right, and park. You will now be at the CMA building at 1300 Wilson Blvd. The name of the building is the Commonwealth Tower.
9. Look for a bank of six elevators (i.e., not the freight elevators) and go up to the 15 floor.

## **TRANSPORTATION FROM DULLES INTERNATIONAL AIRPORT**

Taxi service is available from Dulles Airport for approximately \$40.00 (negotiable). Alternatively, the Washington Flyer (a shuttle service) can take you from Dulles Airport (lower level, Ground Transportation) to the West Falls Church Metro on the Orange line for \$8.00 one way. The shuttle runs every 30 minutes (on the hour and half hour). From West Falls Church, take the Orange or Blue line toward New Carrollton -- it will be 6 stops to Rosslyn. Next, follow the directions above from the Rosslyn METRO stop. When exiting the Metro turnstile at Rosslyn, turn left and take a short staircase leading outside to Fort Meyer Drive. Take a left and walk uphill 1/4 of a block to Wilson Boulevard. The CMA building will be diagonally to the right. Cross the street and enter Commonwealth Tower from Wilson Boulevard. Walk to rear of lobby to access the elevators. Ride the elevators to the 15th floor.
